

### **“About Me” Questions**

These are the questions you will be asked to respond to in the “About Me” section of your e-portfolio. You can use this document to write your answers and then cut and paste the information into Venture.

#### **Who I Am**

Add a resume at end of document

- What is your primary language?
- Where do you work?
- When did you start working there?
- What is your job title?
- What are your duties?
- What professional skills do you have?
- Why are you an intervener?

Optional audio/video introduction link:

#### **My Training Background**

- What certificates or licenses do you have?
- When and where have you received training?
- Upload transcripts, certificates, CEUs, badges, and microcredentials

#### **Letters of Reference**

Include two letters of reference

#### **Who I Serve**

Insert a photo of student/client

Pseudonym

- Age and etiology of deaf-blindness (if known)
- Does the student/client have usable hearing? If yes, please describe
- Does the student/client have usable vision? If yes, please describe
- What methods does your student/client use to communicate?
- Describe how your student/client usually interacts with others

- Describe the typical environments where you work with your student/client
- Who are the members of your student/client's team (list by occupational role such as "classroom teacher", "teacher of the visually impaired", etc.)?

\*\*\*Repeat if using more than one deafblind individual, copy and paste so there is one per individual you serve

Add photo of student/client
